

About Us

The Ovarian Cancer Awareness Foundation (OCAF) is a 501 (c)3 not for profit corporation dedicated to encouraging national awareness about ovarian cancer and to promoting education about the disease.

Our goal is to introduce the words "ovarian cancer" to the female population by providing them with the information they need to make what could be a life-saving decision.

The OCAF offers positive reinforcement and support for women and their families coping with ovarian cancer.
